Welsh stars' funding fears over Thai trip

KICKBOXING

FOUR Cardiff kickboxers are gearing up for the World Games in Thailand in April.

Lewis Patterson, 21, Levi Lawrence, 13, Naz Ghezlad, 12, and Patrick Lee, 14 are all members of the Cardiff Kickboxing club.

And the quartet have qualified as part of the 22-strong Great Britain team for the prestigious tournament which has attracted 162 countries.

Patterson is a British and European champion, while the other three are all British champions.

The quartet's participation in the tournament though is in doubt as they look to raise the funds for the trip.

"These four boys have been excellent throughout the year and have fought all over the UK," said coach and former world champion Denzil Lawrence.

"They deserve their chance to show their skills on the world stage."

Anybody who wishes to sponsor these boys should contact Lawrence on 029 2048 1740 or 07932 253849.
